Scott Morris

Objective

To gain meaningful employment with a company that will allow personal and professional growth without limiting the opportunity for further enlightenment and enhanced education. Definitely looking for a challenging opportunity.

Certifications

Quadruple CCIE:
Cisco Certified Internetwork Expert -- CCIE #4713 **Routing & Switching**
Cisco Certified Internetwork Expert -- CCIE #4713 **ISP-Dial**
Cisco Certified Internetwork Expert -- CCIE #4713 **Security**
Cisco Certified Internetwork Expert -- CCIE #4713 **Service Provider**
  - Specialization in Cable/RF
Cisco Certified Design Professional (CCDP) – **R&S**
Cisco Systems Security Professional (CSSP)
Cisco Cable Communications Specialist
Cisco IP Telephony Support Specialist
Cisco IP Telephony Design Specialist
Cisco Certified Network Associate – **WAN Switching**
Cisco Certified Systems Instructor – CCSI #21903
Microsoft Certified Systems Engineer (NT 4.0) #474812
Ortronics Certified Systems Installer +
Cisco Sales Expert – Enterprise
AVVID Certified SE/FE – IP Telephony
AVVID Certified SE/FE – Voice Access
Juniper Networks Certified Internet Specialist (**JNCIS-M**) #462
Juniper Networks Certified Internet Professional (**JNCIP-M**) #172
Juniper Networks Certified Internet Expert (**JNCIE-M**) #153
Juniper Networks Certified Specialist J-Series (**JNCIS-ER**)
Juniper Networks Certified Instructor (**JNCI**) for M-Series and ER-Series
NSA/CNSS INFOSEC Professional
TIA Convergence Technology Professional (CTP)
Certified Information Systems Security Professional - CISSP #37445

CCIE Candidate – Design (passed written exam) <Design CCIE killed>
CCIE Candidate – Voice(passed written exam) (Lab pending Fall '08)
CCDE Candidate – Cisco Certified Design Expert (Practical Pending)
  CCDE Practical still in beta mode – Part of beta testing team

Experience

June 2003–June 2008   *IPExpert, Inc.*   China, MI

Vice President Technical Training and Senior Technical Instructor

- Oversee multiple CCIE instructors and contractors

- B.S., Journalism/Photojournalism.
- Minors (equivalent) in Philosophy and Political Science (Constitutional Law).

Interests

Computers, photography, animals, fencing (SCA) and SCUBA diving. More recently, my young daughters enjoy monopolizing my free time!

Miscellaneous

Technical Reviewer on Cisco books for Cisco Press, Pearson, Sybex, Que Publishing, Wylie Press and McGraw-Hill (myriad of topics!)

Authoring for Cisco Press:

- MCNS book – Wrote chapters on PIX Firewall configuration
- CCIE Practical Studies Vol. 2 – Wrote Multicast section

RightFax Fax Server Technical Specialist - includes Brooktrout and Gammalink boards of many flavors (RightFax 5.0, 5.2, 6.0 and 7.0).

Nortel Meridian PBX configuration and programming (Options 21 and 51C)

Nortel Norstar system configuration, programming and installation

Novell NetWare to Windows NT Migration

Some experience with network design and provisioning of Cisco xDSL gear (675, 6100 and 6400), including CPE, DSLAM and SSG

Thorough cable testing knowledge for LAN structures. Experience with circuit testing on WAN (TDR, T-Berd, etc.) for ISDN PRI, T-1, DS-3, ISDN BRI

Structured cabling installation (just about every flavor)

System integration and troubleshooting

Vast array of hardware configuration and troubleshooting experience

Internet Services configuration and maintenance

Telecommunications systems design and maintenance

Experience with ISDN of many flavors

Unix (Linux) configuration and maintenance, particularly regarding DNS, DHCP, Syslog and Apache web service. Experience with Redhat Linux, BSDI, Solaris and Irix (in order of experience: lots to little).

Involved in (non-public) beta test team of NetWare 4.11 and Windows NT 4.0, Adobe Photoshop and other random systems.

BICSI Member

SCTE Member

IEEE Member

ARIN Member

NANOG Participant

Involved in psychometric test creation and evaluation for Cisco CVOICE 3.1 exam and Cisco Cable Qualified Specialist exam

Wireless site surveys, designs and deployments in high-difficulty areas such as medical environments

(etc., etc.)
